Keith,

Thank You for your quick response to our fire cleanup, in November 2008. Your company, it's employees, and yourself, exhibited the highest quality professional work. We would not hesitate to recommend your services to anyone in need of this type of cleanup. The Guesthouse is better and cleaner than before the unfortunate fire damage that was sustained to L'Habitation. Without your diligence it would have been impossible to re-open as quickly as we were able to. Please do not hesitate to stop and visit when you are in Key West. Again, Thank You for your help. Sincerely,

Stuart Butler, General Manager
