Dear Sir:

I just want to take the opportunity to thank you for your assistance at our sub station located at The Outlet Mall of Vero. When it was discovered that a sprinkler had gone off and water had damaged our offices, your staff immediately responded and started the process of drying us out! Of course, this had to happen on Saturday, but your company was quick to come to our rescue.

Your knowledgeable personnel quickly checked for any safety hazards. They remained in constant contact until all moisture had been eliminated.

Again, we thank you for helping us when we needed it most. I would gladly recommend your services to anyone.

Sincerely,
ROY RAYMOND, SHERIFF
